

Business Focused Growth = BFG!

Key Benefits:

- **Get Clarity** and be clear where your business is going
- Have a safe and supportive place to test out and **sharpen skills** and then **apply to your business**
- Know your **ideal client**, where to find them (social media and for 'real'!) and have products and services to offer them (at the right price too!)
- Create **real progress** in your business, so you can see concrete results
- Get the satisfaction of building cooperative, **collaborative and fun relationships with other women** and help them succeed too
- **Use and learn from the experience and skills of the other members**; get and give ideas, advice and wisdom
- **Create action plans** and have your mentor and the group hold you accountable for fulfilling your plans and goals
- Find out how to **achieve a level of success** you only previously dreamed of – and **love your success!**

This is for you if:

- You suffer with “**overwhelm**” of being in business - just so much to do!
- You would like a **mentor and coach to support you** and maybe give you a gentle yet firm nudge along the way!
- You are **prepared to step up**, take action and take a chance
- You are in **need of clarity and direction** (not having this is holding you back)
- You are highly motivated and want to **reach or exceed your goals**
- You want a **supportive team** of BFG! partners
- Are ready to let your desire for development in your life and **work overcome your fear of change**
- Oh and you'd also like to be **making more money!**

How Does It Work

- BFG! Meets face to face in Hampshire, once-a-month for 6 months
- Each meeting the group will celebrate successes and work on the challenges each member has brought
- Numbers are kept to a maximum of 6 so that each member can have individual coaching and mentoring from Claire
- Actions agreed at end of each meeting thus there is a built in accountability

Price

- £47 per meeting per person (total £282) – includes 2 one to one sessions with Claire
- Minimum sign up 6 sessions
- This is a one-off program for 2012; subsequent programs will be marketed at approximately £900 per person
